

Cornerstone Sanctuary and Narthex Renovation Vision

Proposed by members of the Youth and Education Ministry Teams

Our Vision:

We envision the current sanctuary and old narthex of the cornerstone to become large “Multi-Purpose” rooms to be utilized by many groups within the church and community. They would have many functions and not be hindered by permanent fixtures or furniture. They would be an open, friendly, and useful space for work, play, learning, growing, singing, dancing, kids, families, and adults. Updating these rooms would give us the ability to use both rooms at the same time for different events and give us many great options.

Current Fixtures:

For our vision to be executed we would need to remove all of the pews that are currently in the sanctuary and either donate them to a church in need or auction them off to our current members. We would also need to remove the Altar and Lectern and either make them memorials in the new church or donate them to a church in need. **We would like to KEEP the stage in place.**

New Permanent Fixtures:

- Carpeting for the entire two rooms – comfortable enough to sit for long periods of time on.
- Permanent storage cabinets located: toward the back of the stage, to the west in the old sanctuary and in the old narthex room.
- New lighting that will brighten the rooms. Because the room was divided into sections at one point – the natural lighting was lost and the rooms remain dark. We need lighting that will make the rooms BRIGHT!
- Some sort of sound-proofing (either on the ceiling or walls)
- New paint on the walls (A light – bright color)
- Two projection machines to be permanently installed so that one can project onto the front wall by the stage and the other onto a wall in the old narthex.

- WI-FI wiring from the new church to the cornerstone so as to make the cornerstone WI-FI accessible.
- Accordion style doors separating the two rooms and shades for the windows to allow us to separate the two rooms so that they can be utilized at the same time.

New Non-Permanent Fixtures:

- 8-10 Round Tables that fold and are on wheels that can be rolled in and out of the rooms to be used for confirmation etc...
- Chairs for the round tables
- 50 Vinyl Been-bags or Gaming Chairs to use in either of the two multi-purpose rooms.
- New Chairs in Narthex for Sitting in (other than Pews)

Other Visions Outside the Sanctuary (Dreams...):

- Rolling Round Tables for all the Sunday School Rooms
- Re-tile the Basement
- Re-Do the Youth Room
- Drop Ceiling in Narthex
- New Kitchen Appliances
- Re-Do the Bathrooms
- New Storage Cabinets

Attached are possible configurations of the rooms.

- The first is the old sanctuary filled with 9 round 6' tables-chairs and 5 storage cabinets. The narthex has chairs instead of pews and one storage cabinet.
- The second is the old sanctuary filled with 54 beanbags-gaming chairs and 5 storage cabinets. The narthex has chairs instead of pews and one storage cabinet.
- The third is the old sanctuary filled with 9 round 6' tables-chairs and 5 storage cabinets. The narthex has chairs instead of pews, 4 round 6' tables-chairs and one storage cabinet.
